Community Celebration

This year marks 10 years of Words in Action, a multilingual student performance directed by Italian instructor and Distinguished Teaching Award recipient Annamaria Bellezza and sponsored by the Berkeley Language Center. Join the BLC for a community-building event to celebrate this wonderful event and language/culture learning at Berkeley.

This event is for ALL UC Berkeley community members—undergrads, graduate students, lecturers, faculty, and staff.

We will have food, raffle prizes, and language-themed activities.

RSVP to the event:

Monday, April 15 • 2–4pm

Ishi Court, Dwinelle Hall

If you require an accommodation for effective communication (ASL interpreting/CART captioning, alternative media formats, etc.) or information about campus mobility access features in order to fully participate in this event, please contact Orlando Garcia at 510-877-4002 x11, ogarcia@berkeley.edu, with as much advance notice as possible.
